What is RestaurantSelect.net?

RestaurantSelect.net is a services portal that allows visitor and convention center planners, hotel meeting coordinators, and other meeting planners to view and search restaurants, draft detailed event proposals, and solicit bids from the restaurants they select.

Why should your restaurant use RestaurantSelect.net?

- A RestaurantSelect listing is a low-overhead, powerful way to attract business. Your profile connects you to various meeting planners who are already looking for your services and are ready to reserve space for their events.
- Your listing will help drive your weeknight business, including dinner meetings, small groups, speaker programs, and business travelers.
- RestaurantSelect is an easy and efficient way for meeting planners to research restaurants, especially in an unfamiliar city, which means that your RestaurantSelect listing will increase your visibility to both local and out-of-town clients.

Who uses RestaurantSelect.net?

- Corporations and clubs use RestaurantSelect to book speaker programs, corporate parties, fundraisers, and regularly scheduled meetings.
- Visitor and convention center planners and hotel meeting coordinators take advantage of our nationwide listings to find convenient, premiere restaurants for groups and conventions coming to your local area.
- Professional meeting planners and wedding planners use RestaurantSelect as a one-stop resource for finding restaurants, managing event details, and booking events for their clients.
